**Subject: Environmental Clearance for construction of proposed plotted colony including Group Housing, Commercial and Educational Institutions buildings at Village Kherikalan, Sector 82-88 & 89, Faridabad, Haryana.**

Sir,

I am directed to refer to your application seeking prior environmental clearance for the above project under the EIA Notification 1994 including amendments of July 2004. The above proposal has been appraised as per prescribed procedure on the basis of the documents enclosed with the application viz. Questionnaire, EIA, EMP and the additional clarifications furnished in response to the observations of the Expert Appraisal Committee (EAC) constituted by the competent authority in its 15th meeting held on May 4-5, 2007 under provisions of EIA Notification 2006.

2. The project proponent is proposing to set up a plotted colony including Group Housing, Commercial and Educational Institutions buildings at Village Kherikalan, Sector 82-88 & 89, Faridabad, Haryana at a cost of Rs.112.47 crore. The project comprises of development of plots for group housing, commercial and educational institutions. The plot area is 8,98,150.71 sq.m. The total area proposed for development of plots is 4,48,000 sq.m. out of which total area proposed for group housing complexes is 84,703.71 sq.m. and for commercial area 16,997.40 sq.m. The total proposed built up area will be restricted by individual plot owners as per local municipal rules. Total water requirement will be 5127 m<sup>3</sup>/day and 4102 m<sup>3</sup>/day of waste water will be generated which will be discharged in public sewer for treatment in common STP provided by HUDA. The solid waste generated will be segregated in to biodegradable and non biodegradable. The bio degradable waste will be composted. The recyclable waste will be sold for recycling and remaining inert waste will be disposed of to approved municipal land fill sites.
