Noise pollution: HC seeks status report from Haryana, Punjab

SAURABH MALIK

CHANDIGARH, MARCH 20

Nearly five years after the Puniab and Harvana High Court issued 15 commandments, including a blanket ban on the use of loudspeakers 15 days prior to and during the course of annual examinations, a Division Bench has demanded a status report from both the states on complaints received and actions taken thereof, in all districts.

The direction by the Bench of Acting Chief Justice Gurmeet Singh Sandhawalia and Judge Lapita Banerji came after a petition was filed against Haryana and other respondents regarding noise pollution by Abhilaksh Sachdev and another petitioner through counsel Abhinav Sood

Taking into consideration the issue involved, the Bench expanded the petition's scope and made the State of Punjab, through its Home Secretary, a party to the litigation for specifying whether the judgment dated July 22, 2019, in the case of "Reet Mohinder Singh versus the State of Punjab and others" was being implemented.

"The status report containing details of the number of complaints received and the action taken on them across all districts of both states is to be submitted by the next date of hearing," the Bench asserted before announcing the next

Holding Punjab, Haryana and Chandigarh culpable for failure to adopt adequate steps for checking noise pollution from factories and even religious bodies, the high court in its 2019 order had even banned the blowing of horn in residential areas between 10 pm and 6 am.

Temples, mosques and gurdwaras were also prohibited from using loudspeakers and public address system without permission. The playing of musical instruments and use of amplifiers at night in the open was also proscribed. The Director-General of Police in Punjab, Haryana and Chandigarh were further directed to ensure that songs glorifying liquor, wine, drugs and violence were not played even during live shows.

The then Bench comprising Justice Rajiv Sharma and Justice Harinder Singh Sidhu had also made it clear that no person throughout Punjab, Haryana and Chandigarh would carry firearms to fairs, religious processions, marriage ceremonies and other public assemblages or within campus or precincts of any educational institutions.

SIRSA, MARCH 20

BJP MP Sunita Duggal, formerly an IRS officer, made her political debut in 2019, clinching victory in the Sirsa parliamentary seat with over three lakh votes. However, the recent decision by the BJP to replace her with former Congress MP Ashok Tanwar as the candidate in Sirsa indicates Duggal's waning influence. Criticism from local residents has primarily stemmed from her perceived inaccessibility over the past five years.

Despite adopting Jiwan Nagar, Sanghar Sarishta and Bahauddin villages under the Sansad Adarsh Gram Yojna, residents expressed disappointment, saying that promises had not been fulfilled. Residents of Sanghar lamented absence of basic amenities such as 24-hour electricity and water supply.

Similarly, residents of Jiwan Nagar and Bahauddin complained of unimplemented proposals and that Duggal rarely visited the village.

Backin INLD, **Majra made** state chief

TRIBUNE NEWS SERVICE

CHANDIGARH, MARCH 20

Former chief parliamentary secretary (CPS) Rampal Majra today re-joined the INLD and was made the party state chief. Announcing this here

today, INLD secretary general Abhay Chautala said Majra had always been at the forefront of major agitations launched by INLD patriarch Ch Devi Lal and INLD supremo Prakash Chautala. "Under his leadership, the INLD will grow from strength to strength," he said.

Majra said though he joined the BJP before the 2019 Assembly elections, Devi Lal's ideals were always dear to his heart. Majra had resigned from the BJP during the previous farmers' agitation.

Majra alleged that BJP's claims of transparency in government recruitment and doubling of farmers' income were "blatant lies". All sections of society, including farmers, were at the receiving end of various acts of omission and commission of the BJP-led government, he claimed.

Rewari blast toll six, 17 still hospitalised

REWARI, MARCH 20

The toll in the boiler blast at a factory in Dharuhera town here rose to six with two more critically injured workers succumbing to their injuries today. As many as 17 other workers are still hospitalised in the PGIMS, Rohtak, and Safdarjung Hospital in Delhi, where condition of some of them is stated to be critical.

"Three workers have so far succumbed to their injuries in the PGIMS, Rohtak, and two in Safdarjung Hospital, Delhi, while another died while on way to Delhi from Rohtak for treatment. All these casualties happened in the past three days," said Jagdish Chand, SHO, Dharuhera Police Station.

He said the blast had taken place at an auto spare parts manufacturing factory in

Dharuhera on Saturday last. A total of 39 workers suffered burn injuries in the blast.

"A case against the factory owner, manager and contractor has been registered on the complaint of the workers but no arrest has been made so far. A team led by Rewari SDM Vikas Yadav is probing the incident," he said.

The SHO said since the names of owner, manager and contractor were not mentioned by the workers in the police complaint, the factory papers were being checked to find out their names.

CM Nayab Singh Saini had ordered a magisterial inquiry and directed the committee to submit its report within a stipulated time besides asking the Rewari DC to ensure proper treatment of all injured.—TNS
