

# Centre, Tripura, TIPRA Motha sign tripartite pact

PIONEER NEWS SERVICE ■ NEW DELHI

A tripartite agreement between TIPRA Motha and the Governments of Tripura and India was signed on Saturday in presence of Union Home Minister Amit Shah to bring a lasting solution to the problems of the state's indigenous people. Shah said that with the signing of the agreement, the government has respected history, corrected past wrongs and

accepted the present reality to proceed towards a brighter future. Under the pact, it was agreed to amicably resolve all issues of the indigenous people of Tripura related to history, land and political rights, economic development, identity, culture and language, according to an official statement. "I assure all stakeholders of Tripura that you won't have to fight for your rights anymore. The government of India will be two steps ahead in creating mechanisms to safeguard your rights," Shah said. The home minister said no one can change history but everyone can learn from their past mistakes and move ahead. He said the TIPRA Motha and all tribal parties have played a constructive role and the BJP government in Tripura also worked sincerely towards this agreement. The tripartite agreement between Tripura Indigenous Progressive Regional Alliance, popularly known as TIPRA Motha, and the state and central governments was signed at North Block here. Shah said under the guidance of Prime Minister Narendra Modi, another treaty has been signed furthering harmony in the Northeast. "Delighted to announce the signing of a tripartite agreement resolving issues related to the economic development,

land rights and the identity of the indigenous people of Tripura," he said. Shah said that under Prime Minister Narendra Modi's government, 11 peace and boundary settlement agreements in Northeastern states were signed. In 2019, a peace pact was signed with the National Liberation Front of Tripura (NLFT) and the agreement with TIPRA Motha is the last for the Northeast before going to the Lok Sabha polls, he added. TIPRA Motha supremo Pradyot Debbarma was on a 'fast-unto-death' to demand a permanent solution to the problems of the indigenous people. Following assurance of the interlocutors of the Central government, he came to the national capital and agreed for the pact. Debbarma was one of the signatories of the agreement. Tripura Chief Minister Manik Shah was also present on the occasion. The home minister said with this agreement, Tripura has moved forward to become a dispute-free Tripura. As part of the agreement, it was agreed to constitute a Joint Working Group or Committee to work out and implement the mutually agreed points on all agreed issues in a time-bound manner to ensure an honourable solution.

# Government issues advisory to label under trial AI models

PNS ■ NEW DELHI

Days after Google's AI platform's response to queries on Prime Minister Narendra Modi generated controversy, the government has issued an advisory for social media and other platforms to label under-trial AI models and prevent hosting unlawful content. In an advisory issued to intermediaries/platforms on March 1, the Ministry of Electronics and Information Technology warned of criminal action in case of non-compliance. "All intermediaries or platforms to ensure that use of Artificial Intelligence model(s) /LLM/Generative AI, software(s) or algorithm(s) on or through its computer resource does not permit its users to host, display, upload, modify, publish, transmit, store, update or share any unlawful content," the advisory said. All platforms, intermediaries and enabling software shall be

held accountable for any breaches, it added. "Non-compliance with provisions would result in penal consequences." The advisory comes within days of Google's AI platform Gemini making uncharitable comments about Prime Minister Modi's policies. The response of Gemini to queries about the Prime Minister led to a strong reaction from the government, with Minister of State for IT Rajeev Chandrasekhar calling it a violation of IT laws. Union Minister for Electronics and IT Rajeev Chandrasekhar on Saturday said, "The episode of Google Gemini is very embarrassing, but saying that the platform was under trial and unreliable is certainly not an excuse to escape from prosecution". "I advise all platforms to openly disclose to the consumers and seek consent from them before deploying any under-trial, erroneous plat-

forms on the Indian public internet. Nobody can escape accountability by apologising later. Every platform on the Indian internet is obliged to be safe and trusted," he further said. The advisory asked the entities to seek approval from the government for deploying under trial or unreliable artificial intelligence (AI) models and deploy them only after labelling them of "possible and inherent fallibility or unreliability of the output generated". "Use of under-testing / unreliable Artificial Intelligence model(s) /LLM/Generative AI, software(s) or algorithm(s) and its availability to the users on Indian Internet must be done so with the explicit permission of the Government of India and be deployed only after appropriately labelling the possible and inherent fallibility or unreliability of the output generated," it said.

# Indian Navy to upgrade Minicoy detachment, commission it as INS Jatayu

PIONEER NEWS SERVICE ■ NEW DELHI

Given the strategic importance of Lakshadweep Islands, Indian Navy will upgrade naval detachment Minicoy and commission it as INS Jatayu on March 6 in the presence of Navy chief Admiral R Hari Kumar, navy said here on Saturday. Plans are also on to have a dual-purpose airport at Minicoy capable handling fighter jet flying besides commercial aircraft operations. Giving details about the naval base, officials said the event marks an important milestone in the Navy's

resolve to incrementally augment security infrastructure at the strategically important Lakshadweep. Prime Minister Narendra Modi had visited there in the first week of January. Naval Detachment Minicoy was setup in early 1980s under the operational command of Naval Officer-in-Charge (Lakshadweep). Minicoy is the southern-most island of Lakshadweep which straddles the vital Sea Lines of Communications (SLOCs). Basing of an independent naval unit with requisite infrastructure and resources will enhance the overall operational capability of the Indian Navy in the islands. The base will enhance operational reach and facilitate Indian Navy's operational effort towards anti-piracy and anti-narcotics operations in Western Arabian Sea.
