Re: Approval of Project –“PARK SERENE” under IN-PRINCIPLE Advance Processing Facility.

Dear Sirs,

At the outset we wish to congratulate you for your Grand Project: **“PARK SERENE” admeasuring 23.814 acres of land at Village Bassi, Sector-37D, Gurgaon, Haryana.** It surely will be a dream destination for the prospective Home Seekers!

We also feel delighted to convey that it would be a pleasure to finance individual housing loans under this project. We extend our approval for this project under our Advance Processing Facility subject to certain conditions.

It will be highly appreciable if our publicity material is appropriately displayed at your Project Site/Sales Office. Since we will be financing loans to your customers with out any hassle, it is also desired to recommend the name of LICHL to your interested customers at such offices.

We also wish to advertise your project in our advertisements on confirmation and acceptance from your side.

Looking forward to a long lasting relationship.

With Warm Regards,

Yours faithfully,

Regional Manager.
